"Who has saved us & called us with a holy calling, not according to our works, but according to His own purpose & grace which was given to us in Christ Jesus before time began." II Timothy 1:9

Praise God that He works in us & uses us according to His purpose & not according to our worthiness! I get excited each time I have the opportunity to share

about how God is working in Ukraine & the ways that He has allowed me to be a part of what He is doing. I continue to praise the Lord for safety on the roads. I have arrived in towns just ahead of storms & enjoyed the beauty of the sun shining on the fallen snow, but have had good roads on the days I need to travel. In addition to sharing about my ministry I have had the opportunity to speak in AWANA

clubs to challenge the kids about how they can be involved in missions & have also had opportunities to speak to teens about purity.

### Please Pray for

- ~ Continued safety on the road
- ~ That I will be an encouragement to those I stay with & when I share
- ~ For God to work as I have opportunities to challenge teens about purity
- ~ For the Lord to provide the additional monthly support commitments I need to be able to return to Ukraine.

### Ukraine Update

Carolyn Rice is returning to Odessa to **train more leaders** for the post abortion ministry. March 26 she will be teaching our current leaders how to use the "Forgiven & Set Free" study as a tool for evangelism. March 28-30 she will conduct a leader training for new leaders. April 2-6 she will lead a group of ladies through the course. Pray for God's blessing on her time & for the preparations. Please continue to pray for physical strength for Dr. Miriam. She has postponed the dental team she was planning for this spring to the fall. She has a nurse practitioner who will be joining her in April to do a week of evangelistic clinics in the Kharkov area, and to help her with some of the regular Odessa area clinics.

Thank you for your partnership in prayer!
