

Update from Holly February 2018

"If anyone ministers, let him do it as with the ability which God supplies, that in all things God may be glorified through Jesus Christ..." I Peter 4:11

Thank you for your prayers for my trip to Peru. It was such a blessing to see many of my friends from my time there back in 2004-2006, and to catch up on what is going on in their lives and ministries. Many of them told me that they continue to

pray for me and for the ministry in Ukraine. My Spanish came back to me better than I thought it might, although I was told I spoke with a Russian accent! I was able to share about Ukraine in 2 church services, one youth group, and at the Latin American Pro-life Summit. I was also able to lead a workshop at the Summit on using the medical profession in pro-life ministry. The other workshops at the Summit and the testimonies of what God is doing in pro-life ministry across Latin America were a blessing and challenge to me. I came away

encouraged & with new ideas for what could be done in Ukraine. I enjoyed spending my last day there with all of the ABWE Peru missionaries as they gathered for team meetings, and sharing with their teens. I am thankful that God allowed me this chance to reconnect with special friends & to be encouraged.

The ministry of Choose Life in Ukraine is facing a new challenge. Our landlords have been trying to sell the office we are renting for some time, and have now found a buyer. They have asked us to be out of the office by April 1st. We are currently looking for another place to rent until we can raise enough funds to purchase an office of our own. Pray that God will lead us to just the right place, and pray that in His time, He will provide the funds for us to purchase a place of our own that would provide the needed space & stability for continued growth of the ministry. Gifts for this project can be sent to ABWE & designated for the Choose Life Ukraine building project #0757353. Let me know if you would like more information about the project.

Thank you for your prayers & notes of encouragement. It was a blessing to hear from many of you after my last letter.

For His glory!
Holly Friesen
