

Update from Holly June 2018

“He is the Rock, His work is perfect; for all His ways are justice, a God of truth and without injustice; Righteous and upright is He.” Deuteronomy 32:4

I continue to be blessed by God’s protection and provision as I travel, and by the opportunity to connect with friends old & new who are interested in what God is doing in Ukraine. God’s ways are perfect, even when things are not going as planned. I experienced some mechanical problems with my van this past month, but both times I had to stop for repairs God had friends nearby who could help me. I did have to adjust some plans, but did not miss any of my scheduled meetings due to the problems.

It was encouraging to participate in the Life Matters Worldwide Summit in May. What a joy to fellowship with so many who have a passion for justice and life for the unborn and gospel truth for their families. I appreciated the good teaching in the workshops. Thank you for your prayers for the session I assisted with. I enjoyed being a part of the teaching and interacting with the class.

Our new building in Ukraine was not quite finished by the end of May, but an opening is planned for June 13th. There may still be a few finishing touches to take care of after the opening, but it will be ready to use. Our volunteers have continued to keep in contact with our clients by phone, and in spite of things not being quite ready have already received a client in the new building. Please continue to pray for the team in Ukraine as this project has made a very heavy load for them.

Dr. Miriam & Dr. Murphy will be making a medical trip to eastern Ukraine along with our assistants June 19-27 to care for refugees. Natalie, a summer intern finishing up her degree in missionary nursing, will also be joining the team. Pray for safety for the team and for hearts to be open to the gospel. Pray also that God will bless Natalie’s weeks of ministry in Ukraine and use this to give her direction for the future.

I am helping my parents move to Moundridge, Kansas this month & will be setting up my U.S. residence there. Please note my new mailing address! Thank you for praying for this transition for us.

Resting in God our Rock,
Holly Friesen
