

## Update from Holly May 2018

“Let them sacrifice the sacrifices of thanksgiving, and declare His works with rejoicing.” Psalm 107:22

This letter comes to you with thanksgiving and rejoicing in all that God is doing. I have continued to be blessed by safety on the roads as I travel and good times with family and friends (old & new) along the way. God has been at work providing for my monthly support needs and I am now up to 89%! I am thankful for those who have joined my support team!

Thank you for your continued prayers for the transition into the new office for Choose Life. Last week they moved out of the old office. We are grateful for the many volunteers who helped with the move and cleaning up the place we had been renting so that we could turn it over to the

landlords. Good progress has been made on our new building, but the remodel is not quite finished. Pray that the workers will be able to finish it in a timely manner so that we will be able to reopen the center by the end of the month. I am thankful for our faithful volunteers as well as for the construction workers who are working together to bring this project to completion. Please continue to keep Luba, our Ukrainian director, and Pastor Lonya, one of our board members, in your prayers as they work together to coordinate all the details of this process.

I am looking forward to participating in the Life Matters Worldwide Pro-life Summit next week. We are thankful for the way this ministry has come alongside Choose Life with resources and support and I look forward to being challenged and encouraged through the workshops and fellowship. I will also be assisting with a workshop on cross cultural evangelism. Pray that we will be able to make this workshop practical and helpful for leaders from pregnancy care centers that are reaching out to different cultures within their communities.

Please continue to keep the Murphy family in your prayers as they assist with the medical ministry in Ukraine through the end of June. Pray that God will bless as they seek to share the gospel through the clinics as well as through an English outreach in one of our villages. Pray also that God will make it clear to them what His will is for them in regards to future ministry in Ukraine.

Thankfully rejoicing in God's goodness,  
Holly Friesen
